Flood Corridor Programs

Flood Corridor Program 2010-2011 Funding Cycle

The program funds primarily nonstructural flood management solutions through direct expenditures and grants to local public agencies and nonprofit organizations. Funding under the Program is intended to be used for acquisition, restoration, enhancement and protection of real property while preserving sustainable agriculture and/or enhancing wildlife habitat in and near flood corridors throughout the state.

Who Can Apply? Local Agencies, Non-profit Organizations, and Native American Tribes as partners or as a non-profit.

When will funds be available? Applications are currently being accepted at <http://www.water.ca.gov/bms> Deadline for applications: February 25, 2011

What is the Funding Cap? \$5 million per project

What is the Cost Share Requirement? 10% non-state, non-federal

How much will be available? \$77.5 million will be available for disbursement

Geographic Distribution: \$50 million Statewide and \$27.5 million Central Valley
